

Otonabee Minor Hockey Association

Otonabee Minor Hockey Association is an organization within our community that provides the support for our local children from ages 3 to 20 the opportunity to play hockey. Our Membership boundaries include Otonabee South Monaghan Township, parts of Dummer Township and City of Peterborough, with approximately 150 registered players and their families.

Our purpose is to provide the enjoyment, learning and structure of the game of hockey for our community with a long history of success. Our organization plays in the Ontario Minor Hockey Association (OMHA) against teams in many local communities as well as other communities throughout Ontario.

In order to provide the training and development of our players, Otonabee Minor Hockey has been hosting many fundraising events throughout the year, and seeking sponsorship from local businesses. All the monies raised, and collected, go directly back to the kids and goes toward the purchase of equipment and ice rental for skill development for its membership. The money does not go toward subsidizing the cost of registration.

We are seeking local businesses that may be interested in providing sponsorship for this cause. In return for your financial support, we will provide the following.

\$50.00 Golf Hole Sponsorship

- Sponsorship sign placed at a hole at our Annual Jay Loucks and Dan Kempt Memorial Golf Tournament for one year.

\$50.00

- One year Sponsorship,
- A spot on our Otonabee Minor Hockey Web Page at www.otonabewolves.com , Sponsorship Section with links to your website,
